 Remote | Nairobi, Kenya

PROFESSIONAL SUMMARY

Proactive and empathetic Customer Service Specialist with 7+ years of progressive experience in SaaS, EdTech, and e-commerce support environments. Adept at managing high-volume ticket queues across multiple channels (email, chat, voice, and social media), delivering personalized support, and resolving complex escalations. Demonstrated leadership as an L2 Agent, with a strong track record of exceeding KPIs and improving support processes. Skilled in a wide range of platforms, including Zendesk, Freshdesk, HubSpot, and Shopify. Passionate about leveraging technology to deliver world-class customer experiences in global, fast-paced, remote-first teams.

CORE SKILLS & TOOLS

Customer Support Platforms: Zendesk, Freshdesk, HubSpot, Intercom, LiveChat, Shopify, Stripe

Communication & Collaboration: Slack, Skype, Slab, Jira

Remote Work Readiness: Reliable internet, backup power, dedicated home office

Customer Service: Escalation Management, CRM Systems, Troubleshooting, Live Chat, Empathy, Product Education

Office & Productivity: Google Workspace (Docs, Sheets, Gmail, Slides), MS Office Suite

PROFESSIONAL EXPERIENCE

Customer Service Representative → L2 Agent – Snapplify | Remote

March 2022 – Present

- Delivered high-quality omnichannel support (email, chat, voice, face-to-face) for EdTech solutions across African markets.
- Promoted to L2 Agent due to advanced product knowledge and problem-solving skills; resolved critical escalations and mentored new team members.
- Onboarded institutional and individual clients to Snapplify's digital platforms and managed customer data using CRM tools.
- Conducted remote and onsite support visits, ensuring successful product adoption and maximizing user value.
- Collaborated cross-functionally with product, sales, and technical teams to streamline resolution times and improve support documentation.
- Continuously contributed to the review and refinement of internal support processes and knowledge bases.

Customer Support Agent → Client Team Leader – Influx | Remote

October 2019 – March 2022

- Supported global SaaS clients by diagnosing issues and guiding users through platform features and solutions.
- Managed support tickets efficiently within SLAs across platforms like Zendesk and Intercom.
- Promoted to trainee Client Team Leader; recognized for leadership potential and consistent delivery of excellent customer satisfaction (CSAT).
- Collaborated with QA and operations teams to implement best practices and improve workflows.
- Awarded 'Employee of the Month' for exceptional performance and team contribution.

Customer Service Representative → Senior CSR – Betin Kenya | Nairobi, Kenya

September 2016 – October 2019

- Provided multichannel support (chat, email, calls, social media) to a high-volume customer base.
- Interpreted and communicated complex Terms & Conditions to customers with clarity and professionalism.
- Managed CRM data and ticket tracking; recognized for consistently exceeding performance metrics.
- Promoted to Senior CSR; received multiple 'Employee of the Month' awards for service excellence.
